### Projects

#### Farm Connect (Agri-Tech Platform)

Developed an agriculture-based web platform that connects farmers and buyers digitally. Implemented features like product listing, responsive UI, and smooth navigation using modern web technologies.

#### Personal Portfolio Website

Designed and developed a professional portfolio website to showcase projects, skills, and achievements. Created a clean responsive interface with interactive sections and optimized user experience.

#### Amazon Clone Website

Built a responsive e-commerce website inspired by Amazon with features like homepage layout, product sections, navigation bar, and shopping interface using HTML, CSS, and JavaScript.
